Customer Profile & Trade Area

Victoria Point Shopping Centre is in the heart of The Brisbane- East SA4 region in South-East Queensland. The region covers the eastern suburbs of Brisbane, extending from inner-city riverside neighbourhoods through to bayside communities along Moreton Bay.

The region features a mix of established residential suburbs, coastal lifestyle areas, and growing family-oriented communities. Residents typically include a combination of professionals commuting to Brisbane's CBD, families seeking suburban and bayside living, and a notable proportion of older residents and retirees attracted to the coastal lifestyle.

Shopping habits in the area reflect this diversity: households often favour convenient local shopping centres for groceries and everyday needs, while also supporting cafés, dining precincts, and specialty retailers. Centres such as Victoria Point Shopping Centre attract regular patronage for fashion, entertainment, and larger shopping trips.
